K9

383SG K9 Serenity
384SG K9 Park

This durable and attractive line from Shawgrass offers a variety of products that can be used in a multitude of outdoor spaces. Designed to function well for residential and commercial applications and developed specifically for our furry friends, the K9 collection allows flexibility in design. This line of products is some of the strongest and most unique solutions in the industry designed with a special high flow backing system with pets in mind that results in a cleaner and odor free area. With a beautiful look and fibers that can withstand everyday use from pets and people, it's not hard to see why this line is one of the top choices in the Shawgrass Collection.
